Well cryton this year has passed with flying colors (Baseball .316). Capt. Duncan, or excuse me, Lt Duncan I guess I'll congratulate you on you new office of Lt. I can see you now at a parade! (CAPTAIN STRIPS) I know you and Don "Tony" Wells will become the best of friends. Listen Buddie don't think your Kool, because your a Letterette or whatever you call that groupe of yours. And another thing don't think your Kool because you rode Spruce Mountain three times and Rumbo once. And another thing, just cause you have a Woody Pecker t-shirt I think Chipley was talking about you and not what about the day when you wore your wrist watch you thought you were really Kool then. Are you getting perturbed again. Tiger you quite a character I looked at your Spartanette picture and I could even tell who your were, you all looked alike. Well tiger, may the power of the star be with you always and always remember "The Universe". Be good, be kind, be carefull, if you can't be good, what the hell be bad!! Remember Dy-na-mite Universe. Yes Sir Mr. Coffee. NJD. where the others beans. Are you from Columbia. I think you are. Allright you square (Rick Jones) Lt time to Jams. Later on Mon. ☆ Jorge "Hollywood" Casillas ☆

Margaret,

Can you believe we made it through the year!? Spartanettes and Letterettes were really hectic this year, but we managed. I know with you as a leader, things will be so much better next year. I really hope that I make Spartanettes next year so that we can do things all summer together. If I don't, I still hope we can do things.

I want to apoligize for not being there to help you at the beginning of the year. I hope some how I can make it up to you. I feel as though I owe it to you, because you are always there when I need you. Thats probably it, you were always helping others and were to busy to help yourself. Im really sorry. Just remember, from now on you come first! I do thank you for just being around. I am so glad that we became best of friends and Im sure we'll stay that way for a long time.

I also want to thank you for some of the great times we've had; the beach (reuniti, Jorge, Steve, Oscar, Carole) the library (Jorge: who they are!) and Disneyland (brat!) to name a few.

Margaret, I really do think your a very cute girl and you can get anyone you want. Please believe me. I don't want to see you upset about something thats not real. your such a cute girl and if, during the summer, you get tired of all the guys, give a few to me. I mean it. Good Luck with you know who! You'll get him if you try. Well gotta go. Keep in touch always!

Love ya
Kris (Soden if you didn't know)

P.S. If you are reading this at a later day (i.e. the year 2000, call me.

Will the memories ever stop
like our lives do in the end?

No one knows for certain

The season was very disappointing as far as the record reveals; the Spartans won only 2 of 9 contests. However, the win column does not show the real measure of this year's squad. The '78 edition of the Blue and White was an emotional group. This squad was one of the smallest, sizewise, in the history of the school. Most Friday's found the Spartans lining up against opponents that were thirty to eighty pounds heavier. This weight difference took its toll late in the games. Even with this disadvantage the 'Men of Sparta' gave all they could. This group of athletes played three of the four Metro-League playoff teams on even results until the fourth quarters. The '78 Spartans were not the largest in the league but they played with their hearts. A coach cannot ask for more. This spirited crew was led by Captains David Nagy and Jamie Tolar. David Pudgil was the Most Valuable Player. Other award winners were Mike Leake, Best Offensive Lineman; David Pudgil, Best Attitude and Best Defensive. Marty Yonekura was voted All-Metro Second Team, Receiver. David Pudgil and John Aposhian received hon Yonekura was voted the All-Metro Second Team, Receiver. David Pudgil and John Aposhian received Honorable Mention.

Volleyball

The Varsity Volleyball team finished sixth in the Metro Conference with a 7–11 won–loss record. The team was led by most-valuable player and number-one setter Cindy Harris. Hard work and good hitting by Seniors Teri Brown, Joanne Kellar and Nancy Hedderson added punch to the team. The Junior Varsity, led by Hope Muroka, finished the season with 9 wins and 9 losses. The JV, a team of mostly sophomores with good attitude and depth exhibited great potential for next season.

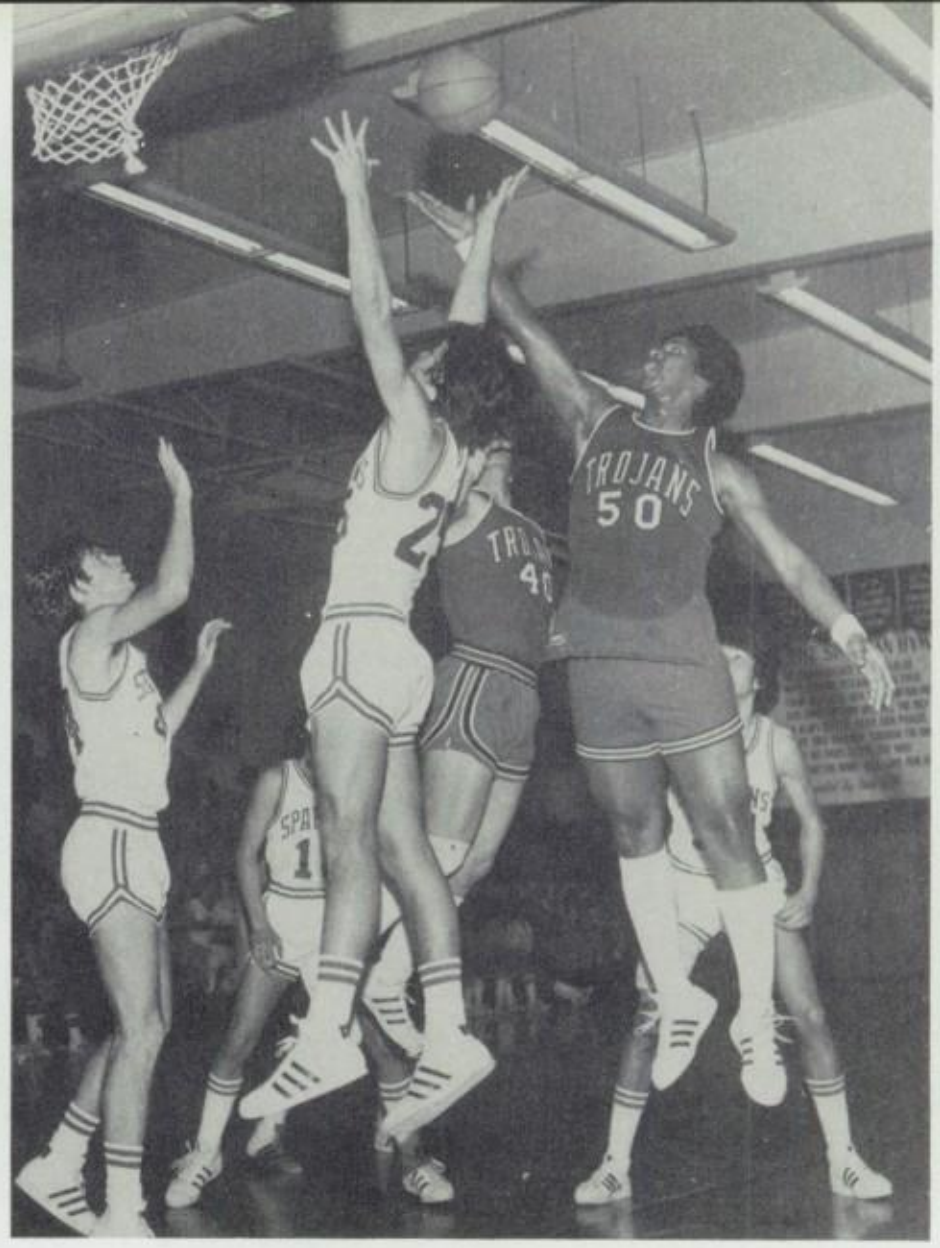
Todd Stoddard leaps for rebound.



Louie Gonzales goes up for jump ball.

The 1978–79 Spartan Basketball Team was a very young club. Two sophomores and two juniors started. Only one senior was able to crack the starting five. The team finished in 5th place in the Metro League and showed signs of championship play by winning their last three games of the season. Coach Mike Collins expects this streak to continue next season, as seven of his top eight players will return in a bid for the Metro crown. Individually the team had its outstanding players:

Todd Stoddard: leading scorer (13.5 pts.), top freethrow shooter, Most Valuable Player and Star News All Metro 2nd Team.

Craig Wilson: Co-Captain, assist leader, and 10.6 points per game.

Louie Gonzales: averaged 10.8 rebounds 12.6 points, and was Honorable Mention All-Metro.

Herbie LaMadrid: Co-Captain and the team's Best Defensive Player.

I'm glad I got to know you better this year - I think you'll be a great leader and Spartanettes should do well next year. Confidentially if I didn't go I should I say if it wasn't for you. I don't know if I would have the courage I need to try out. You're super sweet girl and I enjoyed talking about the programs - Good Luck. I hope that we have more classes together next year.
Have a cool time this summer and I'll see you around

Sigh... where do I start??
I knew from the start from our ride to Santa Barbara — that the Spartanettes were very lucky to have you! (and I'm especially lucky to know you!) You've given so much this year - thank you for caring and sharing! I only hope we can get this corps back on top — I can't think of a "more likely to succeed" leader than you! Epilogue

I want to draw a beautiful picture
on life's blackboard.
I want the colors to be
bright, and dashing, and full of life,
But
I pick up the chalk
and it squeaks
so loud
it scares me.

Florence Grissom – 11th Grade

Dearest Margaret,
Hello cuz & wish you the very best in life, because you deserve everything that comes your way. Remember you cuz always because I'll always remember the good times we've had together. Take great care of yourself and the one whom you love (——) whoever that my might be.

Love, SherryAnn

P.S. Hope we can keep in touch over the years.

Margaret,
It was fun having you in chemistry. It was really too bad about the election and all but try again for president or something. Hope you take some of the same classes that I do next year. JH

Margaret,
Even though I asked you to help me with my math and unfortunately you didn't it's cool because I probably failed anyway. It's cool. Good luck in the future and have a good Summer. I didn't write "I'll see you at the beach because I think you'd rather study than go to the beach. Just kidding. see you next year

Love
Jon Yaroda

CAVE ROCK '79

Margaret,
By now I'm fully recovered from my little expedition. I hope you didn't suffer too much. I don't have anything to say. I'm not into novels. Have a great summer and get started.

Chuck Chmiola

Margaret,

How is it going? Do you are going to be a lieutenant in the Spectrettes next year. Good luck! I hope that you can march some parade next. It was actually slightly fun. I know Anette is the Captain but who is the other lieutenant to be? How did you like the way we stitched it? I know it was cold but it is better than having them there. Don't let him see this because it will hurt his feelings even more than knowing we stuck with him. Afterwards I and Carol (Your sister) went to buy some souvenirs. Did you have fun at Disneyland? I did, even with the heat. What test we just took was pretty easy but Chapman didn't discuss some of the stuff. Oh well have a great summer. maybe I'll see you at some of these

Love Ya Girl

Margaret,

It's been super to talk to you in Family Life. I think we've gotten closer too. Hope we can really get together next year in A.S.B. & really get our school rolling & fired up!! Keep all your ideas & give to everyone next year. Take care of yourself & have a totally bitchin summer. Maybe I'll see ya at some of these beach partys. Take it easy,

Minnie Codink
